Project

Past and Current Integrating Contract Teams Participant Companies

Fernald Plant 1 Large-Scale Demonstration and Deployment Project

B&W NESI

Florida International University

Fluor Daniel Fernald

Foster Wheeler Environmental Corporation

Halliburton NUS

Jacobs Engineering

Chicago Pile 5 (CP-5) Large-Scale Demonstration Project

Argonne National Laboratory

Commonwealth Edison (ComEd)

Duke Engineering & Services Inc. (DE&S)

Florida International University (FIU)

ICF Kaiser

Minnesota Mining and Manufacturing Corporation (3M)

Hanford C Reactor Large-Scale Demonstration and Deployment Project

AEA Technology

Bechtel Hanford Inc.

Bechtel National Inc.

CH2M Hill

International Technologies (IT)

Montgomery Watson

Morrison-Knudson

Thermo Remediation Inc.

US Army Corps of Engineers

US EPA

Washington State Dept. of Ecology

LANL TRU Waste Characterization Decontamination and Disposition

AEA Technologies Inc.

BNFL Inc.

Florida International University

IT Corp.

Los Alamos National Laboratory

Nuclear Fuel Services, Inc.

Mound Tritium D&D

AEA Technologies Inc.

Babcox Wilcox Technology of Ohio

Bluegrass Concrete Cutting

BNFL Inc.

Florida International University

Foster Wheeler Environmental

IT Corp.

Lawrence Livermore National Laboratory

Los Alamos National Laboratory

Princeton Plasma Physics laboratory

Westinghouse Savannah Research Center

Savannah River Building 321-M Fuel Fabrication Deactivation

Duke Engineering & Services Inc.

Florida International University

NES/Scientech

Westinghouse Savannah River Company

INEEL Fuel Storage Canals and Associate Facilities

Bechtel-Babcox Wilcox of Idaho

BNFL Inc.

Florida International University Idaho State University

LIMTCO

Parsons

TLG
